New Business:

Thank you Jason for the E-Prep presentation! Very informative.

129 Hampers were distributed at Christmas and the Shop of Wonders provided gifts for 150 children. The Seniors Secret Santa was well received.

The Food Rescue needs a possible location – potentially the Anglican Church, Food Bank, or Kieth's rental? Barbara will continue looking into this, needs to be big enough to fit the freezer/fridge through the door.

Holly Gillespie was hired as the new community outreach coordinator and started at the end of December.

Last year there were 403 tax returns done through the program with 6 volunteers and about 102 volunteer hours.

Diana Lowe has been in contact with Barbara about the Family Justice Reform initiative which focuses on the relationships, parenting, finances, and social implications of divorce. It is based on the impact of adverse childhood experiences (ACEs) and the Brain Story. There is a co-parenting program for communication that is used as per judge's orders.

The Caregivers Support Group has started and there are 9 participants so far.
